

What is PV?

PV points are earned on every order that you place.
As a NEW distributor you will want to BE SURE to order \$600 or MORE retail on every order that you place so that you are getting all products HALF OFF!

A \$600 order earns you 300 PV points
A \$1000 order earns you 500 PV points
A \$2000 order earns you 1,000 PV points
A \$3000 order earns you 1,500 PV points

You are getting all these orders HALF OFF!

In your first 30 Days you will want to accumulate 1,000 PV points
so that you earn your first free Fast Start Products!!!

In your first 60 Days you will want to accumulate another 1,000 PV points
so that you earn your second free Fast Start Products!!!

In your first 90 Days you will want to accumulate another 1,000 PV points
so that you earn your third free Fast Start Products!!!

**Get HALF OFF EVERY \$600 OR MORE
retail order in your first 90 DAYS!!!**
