

Suggestions for all new SeneGence Distributors

You have chosen a GREAT PRODUCT AND A GREAT COMPANY to represent! These are just a few tips that I have found to be very helpful to me!

You will want to schedule a Launch Demo ASAP, invite at least 15-20 of your friends and family members, on average 5 will show up! This means you need your Glamour Demo Kit, some skin care and foundation collections! Below is a suggested stock order and things that you will need to add to your kit.

THE PERFECT FIRST ORDER

If you order this in the first 90 days it will be HALF PRICE!!!

Your first order should be the following:

- Skin Care Collection in Normal to Dry
- Skin Care Collection in Normal to Oily
- Anti-Aging Collection (Climate Control, SeneSerum C, & Eye Illuminator)
- Foundation Collection (Foundation, Pearlizer, & Foops) in your skin tone
- Powder Collection (Natural, Bronzer, & Silver Rose)
- Polish Exfoliator
- Silk
- Shea Butter Body Cream
- Anti-Wrinkle Treatment
- 10 LipSense Collections: (Kelly's Krush, Fire & Ice, Caramel Apple, Pink Champagne, Plum Pretty, Nutmeg, Blu-Red, Beige Champagne, Sheer Berry, Rose Ice, Praline Rose, Fleur Di Lisa, Kathy's Kisses are some of the most popular colors!)
- 3 Gold Glitter Glosses
- 3 Silver Glitter Glosses
- Mascara
- Undersense
- Tinted Moisturizer
- 4 Eye Shadows
- Blush

This order would be RETAIL of \$1,530 and only cost you \$765 plus shipping and tax. You would have 10 lip collections to sell for \$500 out of that order which would almost pay for the entire order!!! You can use these on yourself as well as incorporate into your kit!

“If you can afford to double that order, YOU WILL GET THE FIRST FAST START of \$330 in FREE products. THAT WOULD BE \$3,060 IN PRODUCT AND ONLY COST YOU \$1,530.”

As a New Distributor your first Goal is to earn the Fast Start Program which is \$1,600 in FREE PRODUCT that you can sell or use in your kit!

A few things you will need for your Demo Kit:

1. **A small plastic spray bottle:** For Witch Hazel which is a mild astringent that will clean their lips before applying LipSense.
2. **Alcohol wipes:** This is the most economical way to remove our LipSense from the back of their hands or their lips if they want another color to try on after using one!

For supplies like brushes, brush cleaner, head bands, lip bags, organza bags to package your lip collections (4x6 or larger) and business cards check out Amazon, Qosmedix.com, PaperMart.com, EBay, Vista Print, etc.

Additional tips:

-Create a name for YOUR business and start a FaceBook page ASAP!

-Ask your friends to let you practice on them! THEY WILL BUY!

-During a demo only put 3 colors on back of their hand to choose from, they get confused with more than 3 and it becomes hard to decide!

-Download an app to accept credit cards through your iPhone or iPad! People will purchase more if you do! There are many apps that you can use for this! Example: Square, Pay Pal

-If you need immediate help and your sponsor cannot help you, always call the Home Office at 949-521-6161.

-Never go anywhere without your hand PAINTED, THIS is called WOWING! You will be approached everywhere with people asking about it which leads to SALES and \$\$\$ for you!

Remember the greatest way to learn the business is by doing it! None of us, including myself, knows all of it. **I still learn every day!**
